

NEWS AND WE'RE NOT TALKING #8

◆ **Local 4-H** group did some gardening at the Facility. New mulch and annual flowers were added to the front of the building to make a nice summery entrance way. Thank you to all that participated in the sprucing of the DUMP!!

◆ The American Legion Peterson-Cram Post 88 held annual flag burning ceremony. Staff prepared an area for the Flags to be cremated and local veterans as well as staff attended the ceremony.. A member of the BCEP staff added a nice touch by playing Taps on his bugle during the ceremony.

◆ **NEW FACE IN A FAMILIAR PLACE**.....Justin Spivey joins our full time staff. Justin will be working in operations and has caught on quickly!

◆ **FAMILIAR FACES IN OLD PLACES** Misty Lavoie returns to the upper recycling floor part time this summer. If you have any questions about the right spot for your recyclables, please ask. To help with the misuse of our facility by other communities, Misty will be watching the upper floor for window stickers. If you haven't received your facility sticker yet, please see Misty or come in the office with your CURRENT vehicle registration and we can quickly get you set up with one!!

Know what you throw!!

May 25th a highly combustible item was placed in one of our trash compactors and caused a fire in the trash box. As a result, the fire severely damaged the compactor box that resulted in replacement.

PLEASE, PLEASE, PLEASE

WHEN IN DOUBT.....DON'T JUST

Wondering how to dispose of FIREWORKS?

Spent (already exploded) - go directly into trash/garbage (NOT MIXED PAPER**)

**Live - Please bring into office or see a floor attendant

Ok, water bottle in Plastic,
glass in Glass and food in
Trash.
